

Dear Parents

ADVENTURE PLAYGROUND

We are so lucky to have a wonderful adventure playground for the children to enjoy during the school day and for pupils and their siblings to enjoy at the end of the day. Please be reminded that all siblings (whether at Rydes Hill or not) are welcome to use the equipment providing they are being supervised by a parent or carer.

ANTI-BULLYING WEEK

We will be celebrating Anti-Bullying Week 12th-16th November this year. There will be two focuses for the work the children will be doing. Firstly we will be looking at the definition of bullying; Bullying is defined as hurting someone, physically or emotionally, repeatedly over a period of time. Some children will often use the word 'bully' for a one off event and we want to make sure the language we use to describe what has happened is clearly understood by everyone. The second aspect we will be looking at is 'Celebrating what makes us different'. Bullying can occur when someone is different to their peers and we want to celebrate and embrace our differences rather than see them as something negative. With this in mind, the children (and staff!) will be invited to wear odd socks or 'different' tights on Monday 12th November.

HARVEST COLLECTION

We will be having a Harvest Assembly led by Lower Prep at 10am on Monday 15th October. We will be collecting donations of food for The Number Five Project. Number Five aims to provide a stable living environment for all, regardless of background. They aim to support those who want to help themselves stabilise and move towards more independent living. We would like all the children to bring a donation of canned goods or toiletries in for the collection on 15th October. At present, the Number Five project have a large stock of some items and therefore do **NOT** need: porridge, Weetabix, strawberry jam, tuna, chopped tomatoes, orange squash, sweetcorn or marmalade. All other canned goods, cereals or toiletries would be gratefully received. For a full list please visit:

CAMPION	GERALD	PATRICIA	PETER
100	188	160	200

NETBALL MATCH RESULTS

On Tuesday 2nd October the U11 A&B netball teams played an away fixture against Holy Trinity. Both matches were very competitive and fast paced. The A's had a great start and quickly passed the ball down to our attacking end. Charlotte H-J and Aleeza K worked hard at converting the goals and secured a fantastic win of 7-4. Thanks to Scarlett T who stepped in last minute and was a great asset to the team.

The B's had a good match with the score staying at 1-1 for the majority of the game. However, Holy Trinity managed to attack hard in 3rd quarter resulting in a 5-2 win to Holy Trinity. Thank you to the parents who came to watch and especially to Mrs Sparks for her enthusiastic support and help with transporting the children.

Kindi outing to Bocketts Farm

Nursery Tea Party!

9th October	Valentin H
