

## Dear Parents

### SUMMER PRODUCTION

Thank you to all of Middle Prep, Higher Prep and Form One for the incredible Summer Production last night. We are looking forward to more of the same this evening. A huge thank you, also, to the incredible team of teachers behind the production, including Mrs Lappage, Mrs Rowson, Mrs Wood, Miss Boyle, Mrs Flude and Miss Quinn. We've managed to weather the storm of changing Government regulations, bubbles, distancing and even torrential rain while we wanted to film. We are certainly learning lessons in resilience during this process. Information will be sent out shortly regarding how copies of the production can be purchased. Photos of the children in costume will be available to parents free of charge—details to follow soon.

### LATERAL FLOW DEVICE TESTING

Parents who have been coming into School for events in recent weeks will be familiar with the Lateral Flow Device (LFD) Tests. We are being asked to **strongly urge all adults to carry out twice weekly LFD tests** throughout the summer to find asymptomatic people. A double vaccination does not mean that you are entirely immune and we are aware of a number of cases of people who have contracted COVID-19 despite being fully immunized. Testing kits can be picked up free of charge from any chemist.

### MRS TAPP

I am sorry to share the sad news with you that Mrs Tapp, teaching assistant in Upper Transition, has recently been diagnosed with breast cancer. This has been caught at an early stage and she is optimistic for the future. She will have surgery next week and subsequent treatment, meaning she will need some time away from School. We are in the process of putting a timetable together so that there is cover in place. We ask that you keep Mrs Tapp and her family in your thoughts and prayers at this difficult time.

### SPORTS' DAYS

Thank you to everyone who took part in the Higher Prep and Form One Sports' Day on Thursday. We were blessed with glorious weather and the parents who came to support helped to build a fantastic atmosphere. We are hoping that the weather will allow us to have our final bubble of Nursery and Kindergarten on Tuesday morning next week. I would like to thank our PE Department for their efforts in organizing not one but four Sports' Days this year.

### PRIZE GIVING

Prize Giving is always one of the highlights of the year and we are glad to be able to run these for all year groups this year. The arrangements are as follows:

**Thursday 8th July 11am**—Prize Giving for Nursery and Kindergarten. **Outside.** One parent per child may attend. If younger siblings need to attend, they must sit on their parent's lap. Masks must be worn and all adults must show evidence of a negative LFD test on arrival. If the weather looks like it will be too wet to be outside, Kindergarten Prize Giving will take place at 10am and Nursery Prize Giving will take place at 11am. Both will be in the Friends Hall.

**Thursday 8th July 2pm**—Prize Giving for Lower Transition and Upper Transition. Two adults per child may attend. If younger siblings need to attend, they must sit on their parent's lap. Masks must be worn and all adults must show evidence of a negative LFD test on arrival.

**Friday 9th July 2pm**—Prize Giving for Middle Prep, Higher Prep and Form One. Two parents per child in Form One may attend. Due to the mixing of children from a variety of bubbles, unfortunately there is not enough capacity for parents from Middle Prep and Higher Prep to attend. However, the ceremony will be on Zoom (details to follow). Due to the current rise in infections in this area, we are unfortunately not able to run a creche this year. We are sorry for any inconvenience caused.

CAMPION	GERALD	PATRICIA	PETER
28	47	75	35

## Happy Birthday!

1st July	Olivia H
3rd July	Grace M

# Upper Trans Learning about India and Hinduism

## First Holy Communion Celebrations

### Middle Prep Reading Challenge

The winner of the gold medal and trophy this week was Alice with 549 minutes. Natalie received the silver medal for 547 minutes of reading. Eliana was winner of the bronze medal with 470 minutes of reading.

Well done girls!

## Wood Street Village 150 Year Celebrations

Wood Street Village celebrated the 150 year anniversary of the maypole and cricket ground. Some Rydes Hill girls took part in the maypole dancing and can be seen with Mr David Hypher OBE DL Hon, an ex-Rydes Hill Governor and is a Deputy Lieutenant of Surrey. Although COVID and the Great British weather allowed very few practice opportunities, the girls managed to pull off a flawless performance! They'll be performing again at the Wood Street Village Show in July.
