

**Dear Parents**

### **SPORTS DAY**

A huge thank you to our PE department and our army of family supporters for a wonderful Sports Day yesterday. Well done to Peter House who were crowned our champions. We will capture a photo gallery in next week's Newsletter.

### **WRITING MODERATION**

This week we were visited by moderators from the Local Authority to check the validity of our writing judgements in Form One. Mrs Wood met with the moderators and showed them a range of work from Form One pupils. The moderators commented on the "fantastic range of writing opportunities," as well as the "exceptionally high quality of the work." The results of all End of Key Stage Two (i.e. Form One) assessments will be available at the start of July and we will share overall results with parents when we have them. I would like to thank all the staff who have worked with the Form One girls throughout their time at Rydes Hill, especially Mrs Wood.

### **ART SUCCESS**

Congratulations to all the children who had artwork exhibited at the Aldro Celebration of Art Competition on Friday evening. It was a wonderful event and Aldro were very hospitable to the large number of Rydes Hill families who were able to attend. Well done to all the participants, including:

A huge thank you to Mrs Baker in putting our entries together and supporting the children with their artwork.

### **ROAD SAFETY**

We have been contacted by a parent at St Joseph's who was almost knocked over whilst walking his child to school one morning last week. Parents are reminded to please make sure they stop at the marked stop line when leaving the Church car park and that they look both left and right before pulling out onto the road and turning left. Please note the exit is also marked "no right turn". Thank you for your co-operation.

## SPORTING NEWS!

Huge congratulations to Lola B (MP) who had a great time representing Guildford in the under 9s mixed hockey team last Saturday at the Surrey Youth Games.

They played 5 matches and came third in their group, narrowly missing out on a semi final space! Mrs Luscombe's son was also on the team!

## YR 5 & 6 CRICKET FESTIVAL

It was a very wet afternoon as we headed over to GHS for the Yr 5 & 6 Cricket Festival on Wednesday this week. It was great that it still went ahead as we made use of their sports hall and did some Cricket/Rounders games. The girls played really well and showed off some fantastic fielding skills! Well done everyone.

## Join the Rydes Bus! A message from Martha B!

Did you know that, according to a recent study by the United Nations, a million species are at risk of going extinct? We all hope that everyone at Rydes Hill would like to change this, so we warmly welcome you to join the Rydes Hill bus.

At the moment there are only seven people on the bus. Three of them are Form One and will be leaving next term. There are seven empty seats now and this will go up when Form One leave.

If you help to reduce pollution by going on the bus, you know how much the Earth will thank you. A typical car emits 4.6 metric tons of carbon dioxide every year. If we share journeys, this will help to reduce our impact on the carbon dioxide levels.

Some of the best things about the bus are:

- You can sit with your friends
- You can chat
- You can read
- You can tell jokes and riddles
- Best of all, we have fun!

Any questions about the bus, do ask Martha B at play time.
