

## Dear Parents

### NEW NORMAL

As you hopefully will understand from the ParentMail sent out on Wednesday, we are introducing a couple of new control measures to ensure everyone's safety as infection rates increase. We politely ask all adults to wear a face mask whilst on the School site, including in the car park, when dropping off or collecting your child. Adults on duty at the gates will also wear face masks.

In person tours of the School will not take place during lock down whilst children and staff are in the building. Prospective parents will be offered the option of virtual tours and weekend tours. We also have a virtual open day on our website.

Please make sure that you inform the School Office if you are self isolating and do remember that if one member of your household is awaiting the results of a COVID test, all members of the household need to self isolate until the result is known.

### POPPY APPEAL

We are collecting for the Royal British Legion Poppy Appeal this year. Each class has a small supply of bracelets, snap bands and zip pulls to choose from. We are asking for a minimum donation of £1 per item.
