Welcome to Rydes Hill

At Rydes Hill, we combine academic ambition with outstanding pastoral care to ensure every child feels known, valued and inspired to achieve their very best.

Our broad and balanced curriculum is delivered through small class sizes and expert teaching, allowing us to tailor learning to each individual. Specialist lessons in subjects such as P.E., Music, Art and Forest School enrich the academic experience and spark enthusiasm.

Beyond the classroom, children enjoy a wide range of enrichment activities that build confidence, curiosity and character. We nurture independence and a lifelong love of learning.

Pastoral care is at the heart of everything we do. Our strong sense of family, built on genuine relationships between staff, pupils and parents, creates a nurturing and secure setting where children feel safe, supported and encouraged every step of the way.

The Rydes Hill community is one where pupils are not only taught but truly known. We believe this personal approach is the key to helping children flourish academically, socially and emotionally.

As Head, I am immensely proud to lead such a vibrant and caring school. We warmly invite you to visit us and experience the unique spirit of Rydes Hill for yourself.

WHAT MAKES US SPECIAL?

We know that **HAPPY** children thrive, laying the foundations for future success. This ethos is central to everything we do at Rydes Hill.

H

Happy

We promote kindness, empathy, optimism and a range of healthy habits to equip children with the necessary skills to flourish.

A

Ambitious

We encourage children to cultivate a growth mindset, enabling them to tackle challenges and nurture a lifelong passion for learning.

P

Playful

We understand the importance of play-based learning, allowing children to explore their individual passions and ignite their imaginations.

P

People

We hold a strong belief in the value of highly qualified and experienced educators who are committed to nurturing the children in their care.

Y

You

We recognise the immense value of collaboration between parents and teachers in order to provide the best support for each child.

“Our son has transformed since joining Rydes Hill. He’s more confident and happier than ever. He loves all the outdoor activities and is always excited to tell us about all the new things he’s been learning. Thank you to the amazing teachers and support staff who work so hard to give the children the very best.”

OUR NURSERY SCHOOL

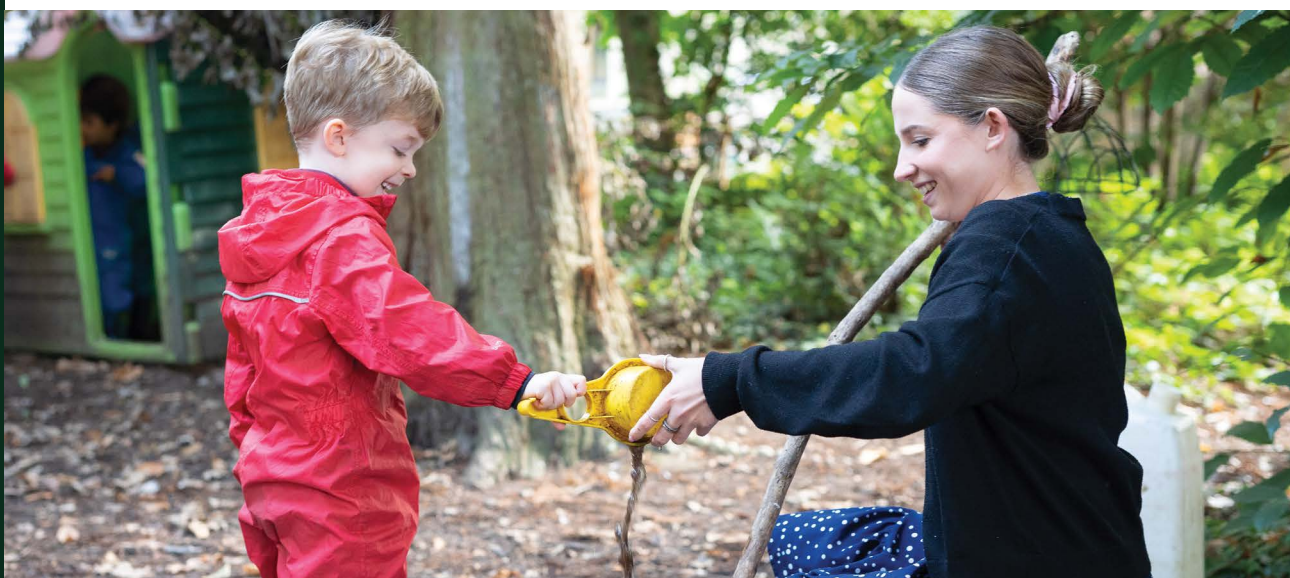

Our exceptional nursery school provides a rich educational environment, ensuring your child has the best possible start.

We have two nursery year groups, 'Acorns' and 'Oaks', organised according to age. We offer both term-time and all year round nursery places for children from two years before they are due to start school. Both morning and full day sessions are available, and there is extended care from 7.30am to 6.00pm.

During term time each nursery class has a dedicated teacher and the children have access to the specialist teachers for P.E., Forest School, Computing, Drama and Music.

Our nursery classes provide a nurturing and stimulating environment where learning happens naturally for every child. Our dedicated teachers and practitioners guide and support each child through every stage of their development, fostering curiosity, confidence, and a love of learning. We focus on understanding each child's individual needs, helping them explore, discover, and grow at their own pace, ensuring they build a strong foundation for lifelong learning.

We go to great lengths to prepare your child for their next stage of learning and work with you to monitor and celebrate their progress. There are a number of special events throughout the year including a tea party, nativity and sports day to name just a few!

“Pupils are successfully equipped with the necessary skills, knowledge, confidence and understanding to embrace challenges and showcase their talents.”

PRE-PREP

Throughout Pre-Prep we focus on nurturing happy, capable learners, motivated to explore new experiences and reach their goals.

Our Pre-Prep spans three years of learning from Reception, to Year 1 and through to Year 2. We create a stimulating learning environment and use a cross-curricular teaching model, where multiple subjects bring a topic to life, creating a more holistic and interconnected learning experience.

Through small class sizes, a broad and dynamic curriculum and high academic expectations, we seek to develop confidence, emotional resilience and intellectual curiosity.

All pupils are thoroughly prepared to embrace the exciting opportunities that await them in Prep (Years 3–6). Any parents looking for an all girls' school at this point are guaranteed a place at Tormead Prep. A shuttle bus operates between the two sites, allowing parents the flexibility of a single drop-off and pick-up point.

“Pupils are excited by their learning and keen to learn more. They successfully gain entry to a range of secondary schools, frequently achieving scholarships.”

CO-ED PREP

Our fully co-educational Prep ensures that both boys and girls can take advantage of the exceptional education offered at Rydes Hill.

We are thrilled to announce that from September 2027, Year 3 will become co-educational, followed by Year 4 in September 2028. This initiative is part of our gradual plan to transform our school into a fully co-educational environment, supporting both girls and boys aged 2 to 11.

Our Prep spans four years of learning from Year 3 to Year 6. While benefiting from regular access to Tormead's outstanding facilities – from expansive sports grounds to cutting-edge digital design studios – pupils continue to thrive within the warm, nurturing and close-knit community that defines a Rydes Hill education.

We will collaborate closely with you and your child to ensure a seamless and successful transition to the senior school of your choice. All Prep girls are automatically offered a place at Tormead Senior School and sibling discounts apply across both campuses.

“The school is a harmonious community with pupils treating each other kindly and courteously, always showing knowledge of and respect for people’s differences.”
