WELCOME

We would like to extend a very warm welcome to Rydes Hill Pre-Prep & Nursery School, part of the Tormead family.

We have been educating children for over 80 years and with our progressive teaching methods, we carry the interests of each child at the heart of everything we do. We inspire imaginations and create capable learners to help prepare children for a positive and happy transition to the next step in their education, which is reflected in the breadth of scholarships awarded and our affiliation with the prestigious Tormead family.

Music and the performing arts are a vibrant and fundamental part of life at Rydes Hill. Meanwhile, our broad and exciting sporting programme allows every child to participate in an unlimited range of individual and team sports.

We hope this prospectus gives you a glimpse of life at Rydes Hill. We provide personal tours throughout the year and would be delighted to show you around our thriving school.

“Children are confident and feel safe, secure and happy.”

OUR NURSERY SCHOOL

Our exceptional nursery school provides a rich educational environment, ensuring your child receives the best possible start.

We have two nursery year groups, 'Acorns' and 'Oaks', organised according to age. We offer both term time and all year round nursery places for children from two years before they are due to start school. Both half and full day sessions are available, and there is extended care from 7.30am to 6pm.

During term time each nursery class has a dedicated teacher and the children have access to all the specialist teachers for PE, forest school, computing, drama, music and french.

We go to great lengths to prepare your child for their next stage of learning and work with you to monitor and celebrate their progress. There are a number of special events throughout the year including a tea party, nativity and sports day to name just a few!

“Pupils are successfully equipped with the necessary skills, knowledge, confidence and understanding to embrace challenges and showcase their talents.”

PRE-PREPARATORY

Throughout the Pre-Prep years we focus on nurturing happy, capable learners, motivated to explore new experiences and reach their goals.

Our Pre-Prep spans three years of learning from Reception, to Year 1 and through to Year 2. We create a stimulating learning environment and use a cross-curricular teaching model, where multiple subjects bring a topic to life, creating a more holistic and interconnected learning experience. Through small class sizes, a broad and dynamic curriculum and high academic expectations, we seek to develop confidence, emotional resilience and intellectual curiosity.

As part of the Tormead family we have strong links with a number of preparatory schools in the area. We will work closely with you and your child to ensure a smooth and successful transition to the next stage in your child's learning journey.

“The school is a harmonious community with pupils treating each other kindly and courteously, always showing knowledge of and respect for people’s differences.”
