

Dear Parents

PARENT CONSULTATION MEETINGS

All parents of children in Nursery to Higher Preparatory should have their appointments booked for Parent Consultation meetings next week. Each appointment slot is 10 minutes. In the evening sessions, there is a 5 minute gap between each appointment to allow for a change over. A bell will sound when appointments are ending and we do ask parents to try to help us keep to time. The locations of the meetings are as follows:

Nursery: Monday morning sessions will be in the Staff Study Room (just off the School Office). Tuesday and Thursday evening sessions will be in the Kindergarten classroom. Please wait in the Entrance Hall.

Kindergarten: All appointments will be in the Kindergarten classroom. Please wait on the chairs in the corridor by the Kindergarten cloakroom

Lower Transition: All appointments will be in the Lower Transition classroom. Please wait in the Entrance Hall.

Upper Transition: All appointments will be in the Upper Transition classroom. Please wait on the chairs on the upstairs landing.

Lower Preparatory: All appointments will be in the Computing Room. Please wait on the chairs on the upstairs landing.

Higher Preparatory: All appointments will be in the Staff Study Room (off the School Office). Please wait in the Entrance Hall.

Books will be available in the Entrance Hall.

HARVEST ASSEMBLY

Higher Preparatory will be presenting their Harvest Assembly next Friday 18th October at 9am. Parents are welcome to attend. All children are invited to bring a donation of non-perishable food items, toiletries, warm clothes, waterproofs or AA / AAA batteries for Project 5, a local charity which supports homeless people. Donations can start coming into School immediately.

NASAL FLU IMMUNISATIONS

Children in Kindergarten to Form One will receive their nasal flu immunisation in School next Wednesday 16th October. If you have not yet completed the consent form, please do so.

BOOK SALE

This week is National Dyslexia Awareness Week. To mark this, we will be holding a second hand book sale after School next Friday 18th October. All proceeds from the sale will go towards buying resources for the Library which will be particularly helpful for dyslexic children. If you have any donations of books, particularly children's books, please bring them to the School office before Friday.

MORNING DROP OFF

We offer complementary drop off in the mornings from 8am. It can sometimes take a little while to gather all the Breakfast Club children and get them out to the tennis courts and so there are occasions when staff are a couple of minutes late. Please be aware of this if leaving your child unattended in the tennis courts. Younger children especially should not be left alone.

Mrs Norville

Thank you FRHPS and HP parents for another lovely cake sale!

CORRECT PE KIT

Recently we have noticed an increasing number of children without the correct PE kit. In one class alone nearly half of the children had one or more items missing and needed to borrow from other children in different classes. Please could all parents check and make sure your child has their full PE kit, including trainers in their PE kit bag. Thank you.

U10 & U11 CROSS COUNTRY AWAY AT PRIOR'S FIELD

Prior's Field Girls' U10, U11 Cross-Country Competition was run through the beautiful woodlands of Prior's Field on Wednesday 9th October. All the girls showed true Rydes Hill grit and determination and achieved some great results. They all did very well to run and finish such a hard, long (1500m), fast and competitive race, with 18 schools competing (108 children in each race) and all finishing in good positions.

Tilly T secured third place in the U10 race, Daisy P 12, Scarlett T 17, Amelia D 26 and the rest sprinted in very close behind! Out U10 team came 4th overall which is an amazing result. Well done girls!
